BUELLTON EDITION – Fall/Winter 2010

Winter Holiday Schedule

THANKSGIVING, CHRISTMAS AND NEW YEAR'S DAY COLLECTION UPDATES

MarBorg Industries will be closed on Thanksgiving, however since Thursdays are not collection days in Buellton this will not effect your collection schedule. The Christmas and New Year's Day holidays are on Saturday this year, so your collection service will remain the same throughout the December holiday season. Customers who would like to receive e-mail alerts can call 963-1852 and request that their e-mail address be added to their account information.

'Tis the Season to Recycle!

FREE CHRISTMAS TREE RECYCLING

We will be collecting Christmas trees free of charge after the holidays. To have your tree recycled please bring it to the curbside on your greenwaste collection day. If you do not have green waste service, bring your tree to the curbside on your trash collection day.

PLEASE REMOVE ALL TREE STANDS, LIGHTS AND ORNAMENTS, AND CUT ANY TREES THAT ARE OVER 6 FEET IN LENGTH SO THEY WILL FIT IN OUR TRUCKS .

HOLIDAY GRATUITIES

We realize some customers give gratuities to their collectors during the holidays. However, we request that you do not give alcohol as a gift because carrying alcohol in a commercial truck could cost the driver his commercial driver's license and his job.

City of Buellton Hazardous Waste Collection Day

MarBorg Industries is currently planning the City of Buellton Hazardous Waste Collection Day Program. The date for the first collection day will be announced in the near future.

Hazardous Waste Collection Days will take place at the Buellton Wastewater Treatment Plant, 79 Industrial Way and will be FREE to residents of the City of Buellton only.

MarBorg Industries' New Compressed Natural Gas (CNG) Vehicle Fueling Facility

MarBorg Industries opened a new Compressed Natural Gas (CNG) fueling station for its collection vehicle fleet. We are excited to now be fueling our collection vehicles with clean compressed natural gas (CNG), at a new state-of-the-art facility in downtown Santa Barbara.

Collection vehicles are parked at the end of the day and connected to individual fueling stations, where they are fueled overnight and ready for a full day of service the following day.

CNG Facility Ribbon cutting ceremony. MarBorg Industries celebrated the launch of the new CNG facility with a ribbon cutting ceremony on September 13 that included numerous local officials, partners and community leaders from the greater Santa Barbara County region.
