BUELLTON EDITION – Winter 2012

NEW YEAR'S RESOLUTIONS: REDUCE, REUSE, RECYCLE!

Make 2012 your year of reducing, reusing, and recycling!

You can make a difference by recycling more at home, at school, and at work. Encourage your family and coworkers to recycle more and choose reusable products instead of disposables.

WASTE REDUCTION TIPS

- Recycle all paper (i.e., junk mail, boxes, magazines, envelopes, food boxes), bottles and cans (aluminum, glass, metal, and plastic). See page 3 for more information on what can be placed in each container.
- Buy products with little or no packaging and buying the largest size you can use. This not only saves the amount of materials being thrown into trash or recycling cans, but also saves money!
- Buy reusable quality products such as non-disposable cameras, reusable or electric razors, reusable dishes, mugs and utensils, and have your child carry lunch in a reusable lunch box.
- Bring your own mug to get coffee. Paper cups waste money and landfill space. Plus, bringing your own cup to local coffee houses can save you money.
- Use a reusable water bottle instead of buying bottled water.
- Buy used goods from resale shops. This is an inexpensive way to get assorted merchandise, and retro fashions are always coming back into style.
- Use reusable shopping bags for groceries and other errands. Keep some bags in your car for unplanned shopping trips. If you get paper or plastic bags from a store, try to reuse them before you recycle them.
- When possible, avoid single-use items such as paper towels and napkins. Use microfiber cleaning cloths or fabric rags, and cloth napkins.
- Buy products that are made with recycled materials. Look for paper products that contain post-consumer content.
- Take only what you need (i.e., refuse unneeded give-a-ways, bags, or flyers).

UNLIMITED GREENWASTE AND RECYCLING SERVICE

We would like to remind you that residential trash service customers get unlimited greenwaste and recycling collection free of charge. All greenwaste and recyclables must be placed in collection containers, so please call us if you would like larger or additional carts.

WINTER COLLECTION EVENTS FOR CITY OF BUELLTON RESIDENTS

WILL TAKE PLACE ON SATURDAY, FEBRUARY 4th! [{Information on page two}](#)

This newsletter is printed on recycled paper!

HOUSEHOLD BATTERY RECYCLING

- Put batteries in a zip-top plastic bag.
- Tape the ends of each battery with electrical, masking, or duct tape so that the battery poles are not exposed.
- Place the bag on top of (not inside) your recycling container on your recycling collection day.

SHARPS CONTAINER COLLECTION

Call or e-mail the office to request a sharps container, which will be delivered to you.

When you request this container, we will provide you with more information regarding our sharps collection program.
