BUELLTON EDITION – Summer 2010

WELCOME! MARBORG INDUSTRIES IS PLEASED TO BE YOUR NEW SOLID WASTE SERVICES PROVIDER!

Welcome! Starting July 1, 2010, MarBorg Industries will be your new solid waste services provider. We are excited to serve you. This edition of “Your Daily Trash” is the first of many MarBorg newsletters that you will receive.

Service is a family tradition. MarBorg Industries is a family owned and operated business that has provided exceptional service and customer satisfaction in the Santa Barbara County area for more than 70 years.

About MarBorg Industries. Started in 1936, by Mario F. Borgatello, MarBorg Industries leads the way in residential and commercial garbage collection, recycling and waste management, and portable sanitation equipment.

The Borgatello family began waste collection in 1936.

We also provide construction site offices; roll-off containers for high volume trash producers; storage containers for commercial and construction use; portable restrooms and shower trailers; and a residential and commercial recycling program, including construction debris recycling.

ABOUT YOUR NEW SERVICES

- Residential service rates will decrease 22%.
- Trash and recycling will now be collected weekly, with greenwaste service every other week.
- If you have trash service, you can get as many green and recycling containers as you'd like for no additional charge.
- Free quarterly bulky waste collection (see inside).
- Free curbside household battery collection (see back cover).
- Free curbside household sharps collection (see back cover).

Printed on recycled paper!

COLLECTION SCHEDULE MAGNETS

Collection schedule magnets are included in the City of Buellton welcome packet.

Your service day for trash and recycling is listed at the top of the magnet, and highlighted on the calendars.

Your service day for greenwaste will be every other week on the same day as trash and recycling, and the day is circled in green on the magnet (see highlighted sample to the right).

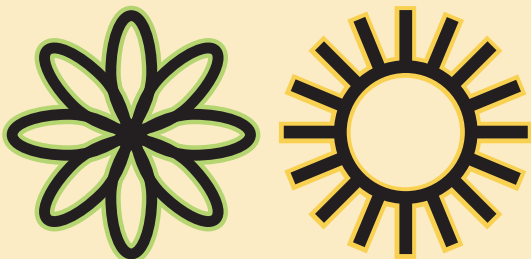

To avoid confusion, we will collect greenwaste for the first two weeks before we switch to biweekly service.

Your service day is listed at the top of the magnet, and highlighted on the calendar. Your biweekly greenwaste collection day is circled in green.

QUARTERLY BULKY WASTE CLEAN-UP

Saturday, August 14 will be your first clean-up day!

FOUR TIMES A YEAR

- 4 times per year, free of charge, all residences in Buellton.
- No need to transport your bulky items to a central location, we will come to your curbside.
- Have materials out at the curb by 6am on the designated collection day.
- Loose items must be bagged, boxed, or bundled.
- Greenwaste must be bundled.
- We will only accept one large item of the same type, i.e. one stove, one water heater and one couch.
- Appliances and electronics are free.
- Construction and remodel material is generally not acceptable.
- No hazardous waste (Tires are acceptable).

You will be notified of the dates for future quarterly bulky waste clean-up days via newsletters and other outreach materials.
